Dear Ms. Peterson:

As Project Manager of Construction Administrator for the Paramount, Lynwood and Azusa School Districts, I have had the opportunity to work with Day Construction on several school projects over the last five years. I have consistently found their management of each project to be among 'best of class' in Quality Control, Schedule, Cost Management and overall project administration.

Please contact me if I may be of assistance in your review process of the qualifications of Day Construction Company.

Sincerely,

LPA, Inc.
